

1) READING Sports Open Day

_____ / 7

Read the brochure about the Sports Open Day in Petersfield.

Everyone's doing sport!**A**

In the morning come and join us at St Giles' School Field from 9 o'clock. There, boys and girls can try out sports like tag rugby or baseball. They can play football at 10.30.

We hope to show you that doing sport with other people is fun for everyone – it's not just for sporty people.

B

In the afternoon you can do classes in St Giles' School Sports Hall. Think climbing is scary? Don't worry – come and try it yourself – we have great teachers who can explain everything to you and help you. Also in the Sports Hall in the afternoon we will have a gymnastics class. Gymnast Oliver Burch, who comes from Petersfield, wants to show you what he can do!

C

In the evening we're planning a special diving class at Petersfield Leisure Centre for the over 13s. Olympic trainer Greg Broad will be in town to teach our young people about this exciting sport. Are you interested? Can you swim? This class is only for students who can swim 50 metres or more.

D

If you don't like swimming, you can come to our dance classes at the Leisure Centre in the evening. Lots of people think ballroom dancing is boring, but it's not – it's beautiful, a lot of fun and great exercise as well. Or you can try our hip hop dance class – for those kids who want to look really cool.

E

If you're interested in the Petersfield Sports Open Day you should write to Mary Milburn (mary.milburn@openday.org) or visit our website www.petersfieldopenday.org. You have to be 11–16 years old to take part in the courses.

Would you like to try out different sports?
Next Saturday, 5th May, it's the Sports Open Day in Petersfield.
Here's information about the events which we're planning for young people in the town.

Look at the titles. Find the right title for each paragraph. Write the letter into the box.
You don't need two of the titles.

Hi. My name is Samantha, but my friends call me Sam. I'm 14 and I'm from Plymouth in England. I like computers, writing emails and I love music and sport. I sing in a band and I play hockey in our school team. I'm not shy and I really like meeting new people, so I want to find e-friends in other countries. Write to me soon please!

Sam
